**SUMMER 2011 MUSIC WONDERLAND  
FOR TODDLERS (AGES 3-4) CLASS & FEE SCHEDULE**

# Yamaha Piano School

## SUMMER 2011 MUSIC WONDERLAND FOR TODDLERS AGES 3-4

### INFORMATION AND POLICIES:

A new Yamaha Music Education System course designed to nurture active listening and expressive singing, to develop internal pulse, and to develop a love of piano playing through the activities taught in weekly 40-minute classes attended by the child and one adult helper. This program will engage your child in, but not be limited to:

- Expression
- Approach to Keyboard
- Simulation Play
- Socialization
- Parent Time

The summer session is a **4-week introduction** to the **Music Wonderland Course** available in September.

The total course is about 9 months, consisting of 14 to 18-week semesters. Students can take one or more semesters of Music Wonderland, and then enroll in our Junior Music Course for 4-5 year olds when they become age appropriate. If you miss a class, you may attend another class as a make-up if there is room (you must reserve a place with us in advance).

It is expected that a parent/adult helper will be able to attend each class without the distraction of tending to a brother or sister. If an emergency arises, please contact your teacher to see if special arrangements can be made. Because of liability issues, unsupervised children may not be left in our waiting area.

### Tuition Refund Policy:

**Refunds will only be given if requested before July 5, 2011, less a \$10.00 processing fee.**
